

Play It Safe *with* **Paul and Patsy PennDOT**

Paul and Patsy always remind their 16-year-old daughter, Penni, to avoid distractions behind the wheel. They realize they need to lead by example and avoid distractions while driving, too.

WHAT DISTRACTIONS SHOULD YOU AVOID?

- **Avoid talking and texting on cell phones while driving;**
- **Don't eat or drink while driving;**
- **Adjust radio and climate controls before a trip, have a passenger adjust the controls or pull over to a safe place to adjust the controls;**
- **Plan ahead and get directions, so you don't have to reference a map while driving; and**
- **Expect the unexpected - you never know what may happen.**
