- C – You are 25 times more likely to be killed if you are ejected from a vehicle.

## Keep you and your family safe during your holiday travels by following these safety tips.

- Always wear your seat belt and encourage others in your vehicle to buckle up.
- Don't drive impaired – designate a sober driver.
- Avoid aggressive driving behaviors such as speeding, tailgating and careless driving.
- Remember that weather and road conditions can change rapidly during the winter months.
- Keep an emergency kit with items such as non-perishable food, water, a blanket and small snow shovel in your vehicle during winter.
- Give your full attention to the road and avoid distractions such as changing the radio and talking on a cell phone.
- During long trips, rotate drivers and take frequent breaks to stay alert.
- Log on to **www.511pa.com** or call 511 before you leave home to check traffic conditions along your route.
