

Play It Safe *with* **Paul and Patsy PennDOT**

Paul & Patsy enjoy cruising in the warm summer weather and need to be aware of other warm-weather enthusiasts - bicyclists.

What should they do when approaching a bicyclist?

- Slow down and allow as much clearance as possible when passing a bicycle. By law, bicycles must travel in the same direction as other traffic.
- When making turns, watch carefully for bicycles entering your lane.
- Be especially alert for children riding bikes on the sidewalk. They may come onto the road.
- Be courteous! It is illegal to force a bicyclist off of the road.

Remember: Share the Road!

Bicycles are considered vehicles. Cyclists have the same rights as other motorists and the obligation to follow the same rules of the road.
