WINTER DRIVING TIPS

- Prepare your vehicle.
 - Ensure battery, lights, emergency flashers and wiper blades work properly.
 - Check and maintain fluids and ensure your gas tank is full before traveling.
 - Ensure tires are properly inflated and have adequate tread.
- Prepare an emergency kit containing a cell phone, heavy blanket, gloves, salt or sand flashlight, water and non-perishable food.
- Use extra caution on bridges and ramps, and beware of black ice.

**REMEMBER:
IF YOU DON'T HAVE TO TRAVEL
